The Glove-Off Challenge

“If people don’t learn the way we teach,
then maybe
We should teach the way they learn.”

The Impact of Songs & Poems

- Pharmacy Poem
- Dust 'n' Boots Rap

Pharmacy Safety Poem

*When you spill something on the floor,
Stop what you're doing and don't spill any more,
Whether it's tablets or a glass that has smashed,
Put on some gloves that you should have stashed,*

*If it's a hazardous gas, make sure that you flee,
And if you're not sure, refer to your workplace S.O.P.
Somethings are different and you can't just box it,
So be extra careful if it's cytotoxic.*

Dust 'n' Boots Rap

*“Breathing in dust can make you wheeze,
It causes bronchitis and fatal disease,
Asbestos is a dangerous carcinogen,
It takes the life of many young men.”*

*“Always wear your respirator or your dust mask,
To enable you to safely, carry out the task.”*

*“If you’ve not got it, you’re not on it,
You have to wear it, don’t spare it,
Ask for PPE if you don’t have it,
It’s all about wearing your safety kit! <https://youtu.be/9OQcTf7sqls>*
