**What we do, why we do it,
and how your help enables it to work...**

The committee of volunteers here at AOSH are both proud and determined to maintain the presence of "in the room" networking opportunities in the area that provide both interesting and useful speakers and topics for your CPD or even just your general curiosity in our field.

In order to continue to remain relevant in the region we try to accommodate subjects that are requested from the membership so if you have any suggestions for topics or speakers for a 2027 programme please submit them to:

avonoccupationalssafetyhealth@gmail.com

Or you could raise it with one of the committee at one of this years events we will endeavour to satisfy demand.

If you have a little time and a lot of passion for the social value of what we do in our community then joining the committee here is a great way to do it. It's not very time consuming but makes a huge difference in making our events successful.

AOSH 2026 Programme of Events

January 15th The Legal Update (This meeting will be held in the Ballroom at BAWA)

Richard Voke, Temple Bright LLP and Phil Newton, Pinsent Masons LLP

Richard and Phil will once again share their views on the significant events and associated cases from the last year and the implications of regulatory developments for us all going forward.

March 26th The HSE Review (This meeting will be held in the Concorde Room at BAWA)

Ian Whittles, HSE Inspector

Our much-appreciated annual talk from locally based HSE Inspector Ian Whittles in which he'll cover some of last year's significant accidents/prosecutions and what we can expect as subjects of focus from the HSE in 2026.

May 21st Conflict Resolution(Room 1 BAWA)

Tommy Tucker, Health safety & security Training Consultant.

TOMMY TUCKER TRAINING

With reports of violence and aggression on the increase in many industries and job roles, this subject is unfortunately more necessary than ever. Tommy will share practical and up to date learning from his wide and varied experience in the field to show people how to prevent and handle conflicts that occur in their workplace and give them the confidence to deal with difficult situations.

July 16th Martyns Law in application (Room 1 BAWA)

Dave Storr, Head of Health safety and Security, Ashton Gate Stadium.

As Head of Health safety and Security at one of the largest sports, conference and events venues Dave is ideally placed to share with the group the practical application of Martyn's law as well as the wider challenges that come with events with tens of thousands of attendees.

September 17th Dust control on Small Building Sites(Room 1 BAWA)

Pragma + Associates

In this session led by Rosie MacKay but supported by representatives from tool and PPE suppliers we will look at the challenges and solutions, and new technology to support a genuine understanding of what is currently reasonably practicable in a sector which often struggles to implement effective controls.

November 19th Health & Safety in The Farming Sector (Room 1 BAWA)

Yellow Wellies Farm Safety Foundation and David Warner

We are delighted to have representatives from The Yellow Wellies Farm Safety Foundation to shine a light on the issues in farming and what they do to help. They will be joined by Gloucestershire Farmer David Warner who will talk us through his journey from being a complacent "it'll never happen to me" farmer, to being the advocate for safety he is today through an extremely painful life changing accident.

Our AGM Formalities will also be done at 09:50 on the 19th November prior to the formal presentation.

All meetings are on a Thursday
10.00am until noon (coffee from 09.30)
BAWA Leisure, (precise room may vary)
Bristol - BS34 7RG
